Following the briefing, Senator Bellmon unexpectedly suggested that [] meet the group in Rabat, Afghanistan, and debrief them on the plane on the way back. We would look into the feasibility of accepting the Senator's suggestion.

[] LIAISON Called Tom Latimer, House Permanent Select Committee on Intelligence Staff Director, and advised him of the House Select Committee on Assassinations attempt to serve [] with a subpoena. Latimer indicated that the House Permanent Select Committee on Intelligence would not want to become involved and I said I just wanted to make sure in light of their primacy of jurisdiction.
